# **Leadership is an Attitude Not a Position**

- **A job title does not make you a leader, or stop you from being one**
- **Beware the trap of accepting responsibility without having authority**
- **Its easy to think leaders have always been that way, not true**

# Leadership is an Attitude Not a Position

- Don't be the "No" in the room, be the "Yes, but"
- You can't lead unless you know where you are going
- Being an expert does not make you a leader
- Work as hard, if not harder, than the people you lead

# Find Opportunities to Develop Your Skills

- Professional or civic organizations
- Non-profit organizations
- Don't do it if you don't love it
- Show up, step up, follow through
- Be a leader even in non-leadership positions

# Good Leaders Put Others First

- **Listen actively**
- **Be a good conversationalist**
- **Introduce yourself**
- **Do what you can to help others succeed**
- **Praise in public, correct in private**

# Good Leaders Put Others First

- **Make sure everyone understands their role and how it contributes to the mission**
- **Make sure your people have the tools they need**
- **Lead by example**
- **Don't ask others to do what you would not**

# Good Leaders Put Others First

- People will sometimes listen to what you say, but they will always pay attention to what you do
- Be on time, start on time, respect other's time

## Scout Law

- **Trustworthy**
- **Loyal**
- **Helpful**
- **Friendly**
- **Courteous**
- **Kind**
- **Obedient**
- **Cheerful**
- **Thrifty**
- **Brave**
- **Clean**
- **Reverent**

## Take Away

- Only you can make you a leader
- The Golden Rule will get you a long way down the road
- Be a Good Scout!
